65kW uninterruptible power supply price

Overview

What is a 650V/390W uninterruptible power supply?

The 650V/390W uninterruptible power supply (UPS) features an Ecologic battery backup. It offers an automatic power saving mode and a multifunctional LCD panel, making it modern and convenient. This UPS uses a simulated sine wave output to protect workstations, network devices, and home entertainment equipment.

What is an uninterruptible power supply (UPS)?

An uninterruptible power supply (UPS) is a device that's easy to install and provides power to computers, servers, server rooms, and data centres during main energy failures, electrical surges, or unexpected power cutoffs.

What is a 65W power supply?

The 65W Power Supply is a power supply made exclusively for Surface devices. It matches the look and feel of Surface devices and quickly recharges the battery. An additional USB port allows you to charge another device at the same time.
