

BLINK SOLAR

African Outdoor Power Company

Overview

Who is Africa power?

Privacy Policy Africa Power we are an Off-Grid Stand-Alone Productive Power Company. We deploy renewable Stand-Alone Productive Power Solutions which drive profits and add value to lives and livelihoods.

Who is Aqua power?

Aqua Power develops, builds, owns and operates innovative energy projects for leading industries and utilities across Sub Saharan Africa. Our key focus areas are Baseload Renewable Energy (e.g. Geothermal, Biomass and Hydro), Gas Fuel Transition (e.g. Gas to Power and Small Scale LNG) and Power to X (e.g. Green Hydrogen from Geothermal Power).

Where are Kua solar products sold?

We sell our products in East Africa under the KuaSolar brand. Kua in Swahili means Growing or to Grow. We provide modular upgradeable Solar Home Systems (SHS's) and Productive Power Systems, allowing our customers to grow their systems to meet their expanding needs on an affordable plan. Interested in investing?
