# **Black Mountain New Energy solar Panel Manufacturer**

## Overview

---

### Who is Black Mountain Energy?

Black Mountain Energy is an entrepreneurial upstream oil and gas company with deep experience sourcing, developing, and operating properties in hydrocarbon-rich basins. Black Mountain Energy is focused on development of international oil and gas, led by a team of highly experienced upstream oil and gas professionals.

### Who is Black Mountain?

Agile, visionary, and well-funded, Black Mountain is an entrepreneurial community of energy operators that specialize in identifying and capturing high-growth opportunities in the global energy sector. Collectively, we have decades of expertise in sourcing, developing, and operating assets worldwide with a track record of delivering strong returns.

### How much money has Black Mountain invested?

Since 2007, Black Mountain has built several companies, collectively evaluated >\$25 billion of exploration and production acquisition, and successfully invested over \$900 million in rewarding ventures. When you make bold steps or shift your perception, you gain a fresh outlook.
