

BLINK SOLAR

Boston solar Glass

Overview

What is Boston Solar?

Boston Solar is the #1 residential solar company based in Massachusetts, with over 4,000 installations. They are proud to power Massachusetts, a state that continues to lead the nation in solar installations. Boston Solar provides superior products, exceptional customer service, and the highest quality workmanship.

Does Boston Solar install solar?

From financing to design and installation, Boston Solar does it all. Our in-house installers are licensed and certified, meaning you can rest assured that your solar meets the most rigorous standards. Download the Boston Solar complete guide to going solar and get answers to all your questions about solar energy.

Why should you choose Boston Solar?

Boston Solar is the #1 residential solar company based in Massachusetts, with over 4,000 installations and a pre-vetted network of installers that compete for your business, giving you more options and the best deals. We are proud to power Massachusetts, a state that continues to lead the nation in solar installations.

Why choose residential solar in Massachusetts?

Residential solar in Massachusetts allows you to harness the power of the sun and take control of your energy future. Despite our New England weather, the Bay State is a prime location for solar energy, offering homeowners the opportunity to significantly reduce electricity costs while contributing to a cleaner environment.
