Overview

Who is containers Africa?

Welcome to CONTAINERS AFRICA Containers Africa specializes in the sale, leasing, and re-positioning of new and used shipping containers in most major ports of Africa. We specialize in selling; 20ft, 40ft, 40ft High Cube, reefer containers, open tops, conversions, designs & fabrications. More info.

What factors affect the cost of shipping containers in South Africa?

Several elements impact the cost of shipping containers in South Africa:
Condition: New containers are more expensive than used ones. Refurbished containers offer a middle ground in terms of price and quality. Size: Larger containers (40ft) typically cost more than smaller ones (20ft), but they offer better value per cubic meter.

Why do container prices vary between cities?

Location: Prices can differ between cities like Johannesburg, Durban, and Cape Town due to transportation costs and local demand. Market Demand: Global events, such as supply chain disruptions, can influence container availability and pricing. 1. Assess Your Needs.

What is a high cube container?

Type: High Cube (HC) containers, which are taller than standard General Purpose (GP) containers, may come at a premium. Location: Prices can differ between cities like Johannesburg, Durban, and Cape Town due to transportation costs and local demand.
