Overview

What is Dushanbe Solar City?

Dushanbe residents launch the “Dushanbe Solar City” campaign to crowdfund solar panels for the first electric car to run the streets of the city as a food truck, serving locally produced, fresh and healthy snacks, in a unique effort to promote the use of renewable energy.

Does Dushanbe have solar power?

Dushanbe has significant capacity to utilize solar energy as it enjoys over 300 sunny days a year. The truck will operate in the city generating clean photovoltaic electricity and will be equipped with USB terminals and sockets to charge gadgets, and access to free internet connection.

Why is Dushanbe a green city?

The number of green zones in Dushanbe is increasing, but so is the use of ground transportation, which leads to significant air pollution and greenhouse gases. 80 percent of total air emissions in the city are associated with transport sources, the main consumers of non-renewable fuel.
