

BLINK SOLAR

French Lyon emergency energy storage vehicle equipment manufacturer

Overview

What are the top 10 energy storage companies in France?

This article will mainly explore the top 10 energy storage companies in France including Saft, TotalEnergies, Huntkey, Albioma, Eco-Tech Ceram, Amarenco, Neoen, Lancey Energy Storage, Corsica Sole, Water Horizon.

Who is elecsys France?

ElecSys France is an electric and electronic design lab specialized in energy storage solutions for electric and hybrid motorboats, yachts, vans and concepts cars.

How does elecsys France work?

ElecSys France's high power Li-ion batteries consist of an assembly of single cells and each battery pack includes a Battery Management with Interface (BMI) developed completely by ElecSys France, which is supervising the battery operation and monitoring battery parameters via the CAN Bus interfaces.

Why should you choose elecsys France?

ElecSys France's long life and high reliable batteries can also be used as a power backup solution especially for Telecom and Data Centres and as a stationary energy storage solution in Solar, Wind and Grid energy applications.
