**High quality 1000 amp breaker  
in Australia**

## Overview

---

What are the top rated circuit breaker brands in Australia?

This article gives the top-rated circuit breaker brands in Australia, detailing their origin, reputation, and distributors in the country. One of the best-known brands in Australia is Schneider Electric. The company was founded in France in 1836 by two Schneider brothers who were Adolphe and Joseph-Eugène.

Who makes RS circuit breaker accessories?

RS is a globally recognised and trusted supplier, distributor, and manufacturer of industrial circuit breakers and circuit breaker accessories. In addition to our own RS PRO line, we carry a wide range of types from top brands, such as MCCBs from Siemens, MCBs from Schneider Electric and even electronic circuit breakers from ABB.

What is a circuit breaker?

Circuit breaker is the most basic component of an electrical system that are used to prevent overloads and faults in circuits. Various brands dominate the Australian market with different histories, strengths, and specializations.

Who makes ABB circuit breakers?

It was formed in 1988 as a result of the merger between the Swedish ASEA and Brown, Boveri & Cie from Switzerland. The companies trace their roots back to the late 19th century in electrical engineering. The type of circuit breakers produced under the brand ABB is considered high-performance industrial and commercial circuit breakers.
