

BLINK SOLAR

Jakarta Mobile Energy Storage Solutions Company

Overview

Who is PT modular energy Indonesia?

We provide innovative system integration for BESS, PCS, and Advanced UPS. PT Modular Energy Indonesia specializes in integration of innovative energy storage solutions, focusing on battery energy storage system (BESS) and power conversion systems (PCS). BESS Indonesia system integrator.

What happened at Solartech Indonesia 2025?

From April 23 to 25, 2025, Solartech Indonesia 2025 was grandly held in Jakarta, Indonesia. EVE Energy made a stunning appearance with its full range of energy storage solutions, injecting fresh momentum into Indonesia's solar energy development.

Why do Indonesians need energy storage?

Indonesia's focus on industrial growth creates a demand for reliable power. BESS can offer backup power, improve power quality, and enable cost savings through peak shaving. The Indonesian government recognizes the importance of energy storage.

Can EVE Energy solve power supply shortages in Indonesia?

To address the electricity demand in remote areas and islands across Indonesia, EVE Energy launched its 10 kWh wall-mounted residential ESS system and 25 kWh high-voltage stackable residential ESS system overseas for the first time. These solutions could resolve power supply shortages and help users utilize self-generated electricity.
