Maputo container generator installation

Overview

What is DP World doing at Maputo container terminal?

DP World has officially commenced a \$165 million expansion project at the Maputo Container Terminal, a strategic move that will double the port's handling capacity and significantly enhance Mozambique's position in regional trade logistics.

What is the Maputo port development corridor?

Located at the heart of the Maputo Port Development Corridor, the terminal serves as a crucial gateway for neighbouring landlocked countries, including Zimbabwe, Botswana, and Eswatini.

Will Maputo become a trade hub in 2026?

With completion targeted for 2026, the upgraded terminal is poised to transform Maputo into a regional trade hub, further integrating Mozambique into global supply chains and bolstering Africa's blue economy ambitions.
