Monrovia Street New Energy Line Station

Overview

What is Monrovia Station?

Monrovia Station is part of the Foothill Gold Line from Pasadena to Azusa. It was completed on time and on budget on Septem, and turned over to Metro. Passenger service began on Ma. The 11.5-mile, six-station extension was completed.

Is electricity available in Monrovia?

Neither water nor electricity is commercially available in Liberia, including the capital of Monrovia. Most hotels have utilities available, but not always on a 24-hour basis.

How many Metro a line stations are there from Pomona to Montclair?

The final two-station segment from Pomona to Montclair will add new Metro A Line stations in the cities of Claremont and Montclair, and will be built in two separate projects – Pomona to Claremont and Claremont to Montclair.

Does Metrolink provide parking at Pomona station?

At the Pomona Station, parking will be shared with Metrolink. All operational decisions regarding parking (ie., fees for parking, permit availability, etc.) are made by LA Metro. To view the location of the station parking facilities, click on the site plan of interest: Glendora, San Dimas, La Verne/Fairplex and Pomona North.
