Ottawa Solar Inverters

Overview

Who is Ottawa solar power?

Since 1996, Ottawa Solar Power has been a leader in renewable energy for the National Capital Region, with over 1,000 installations spanning residential homes, businesses, and off-grid projects. As Eastern Ontario and Western Quebec's most experienced solar provider, we deliver reliable, tailored, and sustainable energy solutions for every need.

Where can I buy a solar system in Canada?

Truck-Freight and NU – NT – YT excepted. Solacity – Canada's Solar Specialists! Great pricing on solar supplies and other renewable energy goods; solar panels, inverters, batteries, charge controllers, racking etc. We can also help you design your system and give useful installation advice!.

What is an off-grid solar inverter?

Our powerful, user-friendly solar inverters are ideal for cabins, homes, cottages, and remote off-grid solar power systems of any size. Built to withstand tough Canadian conditions, these off-grid inverters deliver dependable energy conversion where it's needed most.

Why should you choose a custom solar installation for your Ottawa home?

Our customized residential solar installations are designed for Ottawa homes to reduce hydro costs, increase property value, and help you make a lasting environmental impact. Lower Bills. Higher Home Value. Cleaner Energy. Live Anywhere. Power Everything. Go Off-Grid with Confidence.
