

# Popular energy storage power supply manufacturers in Indonesia

## Overview

---

Who are Indonesian solar battery storage companies?

Indonesian solar battery storage companies mainly include energy storage system integrators, charging infrastructure providers, battery manufacturers, energy storage project developers and energy storage product traders. These companies focus on different aspects such as development, design, construction, production and trade.

Why do Indonesians need energy storage?

Indonesia's focus on industrial growth creates a demand for reliable power. BESS can offer backup power, improve power quality, and enable cost savings through peak shaving. The Indonesian government recognizes the importance of energy storage.

Who is Jiangsu goodwe power supply Technology Ltd?

Jiangsu Goodwe Power Supply Technology Ltd. is headquartered in China and operates in Indonesia through its local distributors. The company manufactures solar inverters and specializes in residential rooftops, commercial systems, and energy storage systems. Goodwe Power Supply Technology Ltd. has total solar install capacity of around 12GW globally.

Why do Indonesians need solar power?

More than 10 million Indonesians live in off-grid or underserved regions, especially in Eastern Indonesia and smaller islands. Many areas rely on diesel gensets that are costly, polluting, and subject to fuel supply interruptions. Indonesia receives 4.5-6.5 kWh/m<sup>2</sup>/day of solar irradiance—ideal for solar + battery solutions.
