Port Moresby solar container communication station battery 1 2MWh

Overview

What is Sunway ESS battery energy storage system (BESS)?

Sunway Ess battery energy storage system (BESS) containers are based on a modular design. They can be configured to match the required power and capacity requirements of client's application. Our containerised energy storage system (BESS) is the perfect solution for large-scale energy storage projects.

What is Port Moresby power station?

The Port Moresby Power Station will provide reliable power to Port Moresby and is the lowest cost dedicated grid connected thermal generation in the country. Replacing heavy fuel oil and diesel, the gas-fired power plant also brings a material reduction in the environmental impact from power generation in PNG.
