Portable power solar station in Jamaica

Overview

Is JSS a good solar company in Jamaica?

Jep Solar Solutions (JSS) is committed to being the best choice for solar energy systems in Jamaica. Through them, we can provide guarantee and warranty on the most efficient solar panels, batteries, and other solar equipment. Performance is guaranteed.

How do solar systems work in Jamaica?

In Jamaica, solar systems owners can connect to the electricity grid via a Net Billing, Power Wheeling, or Auxiliary Connections contract. This allows them to have access to the Jamaica Public Service Company Limited (JPS) grid, as per the Electricity Act 2015 and subsequent legislation.

What is the largest solar project in Jamaica?

Paradise Park is the largest solar project in Jamaica. With a US\$65-million investment, it is designed to supply 37 megawatts of power and significantly decrease the country's dependence on fossil fuels.

How can I buy solar energy equipment in Jamaica?

The Development Bank of Jamaica (DBJ) offers loans to assist in buying solar energy equipment. The loans can be obtained at an interest rate of 3 per cent over a maximum period of 5 years with a 5 per cent service charge. The funds for these loans are provided by the World Bank.
