Where can I buy shipping containers in South Africa?

Affordable, functional, and perfect for storage or modifications. Ideal for small storage spaces, site offices, and quick setups. Buy high-quality shipping containers across South Africa. Tirwana Consulting offers new, used, and custom containers at the best prices. Trusted by wholesalers and retailers.

Why are secondhand shipping containers so popular in South Africa?

This has been a world-wide phenomenon with most shipping containers now manufactured in China. Secondhand containers are a hot commodity when they reach the end of their shipping life. In South Africa there is an informal grading system which attempts to categorise these containers according to their cosmetic appearance.

What factors affect the cost of shipping containers in South Africa?

Several elements impact the cost of shipping containers in South Africa:  
Condition: New containers are more expensive than used ones. Refurbished containers offer a middle ground in terms of price and quality. Size: Larger containers (40ft) typically cost more than smaller ones (20ft), but they offer better value per cubic meter.

Are secondhand containers a hot commodity in South Africa?

Secondhand containers are a hot commodity when they reach the end of their shipping life. In South Africa there is an informal grading system which attempts to categorise these containers according to their cosmetic appearance. Unfortunately this is not very scientific and is not consistent across suppliers.
