.

Where can I buy glass greenhouse products online?

You can buy glass greenhouse products online at [Wickes.co.uk](https://www.wickes.co.uk). Wickes supplies trade quality DIY and home improvement products at great low prices.

What is a glass greenhouse?

A glass greenhouse is a structure in which the walls and roof are made primarily of glass giving your plants sufficient light throughout the year. There are two primary types of glass available including horticultural glass and toughened safety glass. The frame may be made of aluminium or timber.

Why do you need a glass greenhouse?

Among other things, the light-transmitting glass ensures that the growing conditions for your plants are favourable. In addition, a glass greenhouse is also visually appealing. With a greenhouse with glass panels, growing fruit and vegetables becomes adds a touch of class to your garden.
