

**BLINK SOLAR**

# Replacement of tool batteries

**Lithium Solar Generator: \$150**

## Overview

---

Where can I get a replacement power tool battery?

You can usually take your batteries to a local battery store or scrap yard to be properly disposed of. Discover a variety of power tool batteries for sale at Battery Mart. Here you'll find the perfect replacement power tool battery for a great price, including brands like Black & Decker, DeWalt, Craftsman, and more.

How do I choose a replacement battery for a cordless tool?

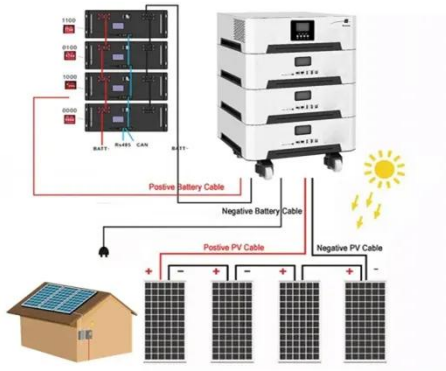

Find a variety of cordless tool batteries compatible with brands like Craftsman, DeWalt, Milwaukee, EGO and more. When it comes to choosing a replacement battery for your cordless power tools, the voltage of a particular battery will determine its overall operating torque. Generally speaking, the higher the voltage rating, the higher the power.

Which power tool batteries are available?

We proudly offer a large selection of power tool batteries, including NiCd, NiMH, and Lithium Ion replacements. Our battery lookup tool with extensive cross-reference make it easy to find the right battery. All of our replacement power tool batteries are high-quality and guaranteed to keep your tools working.
