

BLINK SOLAR

Riyadh Rural Flat-Panel solar Tile Solution

Overview

What is a goodwe solar roof tile?

The GoodWe Sunshine Series is an integrated solar roof tile solution for pitched rooftops to replace traditional solar panels and framework for a sleek, aesthetically-pleasing result, that also maximises your rooftop space for more solar production. The integrated tempered double-glass structure ensures the safety of the roof structure.

What is solar tile?

Solar tile, which combines solar panels and roof tiles, integrates photovoltaic and architecture. Crystal silicon photovoltaic technology and building tile structure are innovated to eliminate the complex project of secondary installation and replace traditional cement tiles and clay tiles with one-time paving.

What are solar roof tiles?

Like solar panels, solar roof tiles are designed to capture the energy from the sun that is shining on your roof and turn that energy into a usable power source for your home.

What is AC Level 1 solar panels in Saudi Arabia?

An endless power by the hands of 10+ years experts in the electrical engineering industry providing solar panels in Saudi Arabia. AC Level 1 refers to the standard outlets that you have in your home.
