Ask a quote via the contact form and buy your custom made list today! The total number of Glass Companies in Belgium is 3,187. Antwerp is the largest province with a 17% market share (548 Glass Companies).

Who is AGC Glass Europe?

AGC Glass Europe is heir to the long tradition of glassmaking in Belgium, in which it has always pioneered the way: from being the first in the world to mechanise the glassmaking process to installation of the first float glass plant on the continent of Europe, followed by expansion to central Europe and Russia.

Who makes flat solar mirrors?

AGC is the leading manufacturer of flat solar mirrors, with years of proven expertise. As a fully integrated company, AGC offers a full range of products dedicated to CSP applications: from sand and low-iron float glass substrates made by our highly specialised float glass plants to high-end solar mirrors. Maximum energy efficiency.

Does AGC manufacture float glass?

And since we have so many years of experience and expertise in manufacturing float glass as well as high-reflectivity solar mirrors, AGC also provides high-transmission solar glass substrates, such as Sunmax Premium.
