# **Southeast Asia Folding Container 20ft Manufacturer**

## Overview

---

Why should you choose a foldable container?

The foldable container is movable with crane or forklift hence better accessibility. Installation and dismantling is also very fast and can be constructed within 25 minutes. The insulation material used to construct the container also provides good sound and heat insulation.

Can a foldable container be used as a prefabricated building?

Using a foldable container as a Prefabricated Building for temporary site office/accommodation has a huge advantage of convenience and space saving. Compared with normal site office construction, there is cost saving for time, labor, transportation and warehousing convenience.

Where are Moneybox container factories located?

Moneybox's container factories increased into 28 ones,, and they are located in every corner of China, such as Guangzhou/Foshan/Anhui/Shanghai/Hangzhou/Nanjing/Fuzhou etc. The annual production capacity can be more than 120,000 units.
