# **Where to buy wind-resistant folding shipping containers**

## Overview

---

Are used shipping containers wind & watertight?

All of our used shipping containers are guaranteed wind and watertight. Grade 'A' containers are usually younger ex-shipping line containers. Cargo worthy CSC plated containers are available for worldwide shipping. Used containers are the cheapest way of buying temporary storage space. Buy online or call for advice.

How much wind can a shipping container withstand?

The measure of how much force can be applied to the top edge before the container begins to collapse or warp can be translated into an equivalent wind load. According to the standards of the rigidity test, a shipping container can withstand wind speeds of 180 mph without wavering.

Is a foldable container a good choice?

The foldable container is a good choice whether it is used as a residential house or an office. Robust, safe and affordable. Thanks for the good service.

What is a foldable container?

Foldable container is foursquare design which increases over 4% space compare with traditional structure. All production finish in the factory, direct field use which will reduce over 90% construction waste. The foldable container is a good choice whether it is used as a residential house or an office. Robust, safe and affordable.
