

# Wholesale challenger breakers in Belgium

## Overview

---

What type of Breaker does Challenger make?

A skilled product expert will happy to assist you. Available in various current ratings, Challenger manufactures both copper and aluminum busway and bus plugs for a flexible power distribution solution. Whether you need a residential, commercial, or industrial circuit breaker, Challenger breakers span a wide variety of applications.

Are Challenger Breakers still made in the US?

Challenger breakers are no longer manufactured in the US. Historically, the Challenger breakers were discovered to overheat during normal use and pose a possible fire hazard. For the safety of your home and family, most electricians recommend replacing all Challenger breakers in your home electrical system.
