# **Wholesale challenger breakers in New-Zealand**

## Overview

---

What type of Breaker does Challenger make?

A skilled product expert will happy to assist you. Available in various current ratings, Challenger manufactures both copper and aluminum busway and bus plugs for a flexible power distribution solution. Whether you need a residential, commercial, or industrial circuit breaker, Challenger breakers span a wide variety of applications.

Does Bay power carry Challenger products?

Bay Power is proud to carry Challenger products. Contact us for all your new, obsolete, used or refurbished Challenger electrical solutions. Don't know exactly what you need?

A skilled product expert will happy to assist you.

Why should you choose a challenger load center?

Whether you need a residential, commercial, or industrial circuit breaker, Challenger breakers span a wide variety of applications. When you choose a load center from Challenger, you choose a reliable high quality product that will far surpass your residential, commercial, and industrial requirements and expectations.

What is a challenger panelboard?

Challenger panelboards are a staple in all commercial, industrial or residential establishments, and are always contained within an enclosure. Bay Power stocks a wide range of switchboards from Challenger that are relatively versatile. These products can be floor-mounted or wall-mounted, and are always 3-phase.
