X3 solar container outdoor power

Overview

How many solar panels are included in X3 energy louvers?

The louvers contain 10 integrated solar panels from X3 Energy. The unique combination of Surface Hardness, UV Resistance and Optical Clarity make MPI's Bio-based PC the perfect choice for Transparent and Vivid Color applications to highlight solar panels.

Who is x3 energy?

X3 ENERGY is a division of Van Straten Enterprises (VSE). Established in 1964, Van Straten is one of Michigan's premier metal fabricators. Known for quality craftsmanship, Van Straten is also a preferred contract manufacturer for a variety of Fortune 500 companies. OEM's choose Van Straten for complex fabrication and JIT delivery of product.

Why should you choose a solar storage container?

Customize your container according to various configurations, power outputs, and storage capacity according to your needs. Lower your environmental impact and achieve sustainability objectives by using clean, renewable solar energy. Lower energy/maintenance costs ensure operational savings.

What is LZY solar storage?

LZY offers large, compact, transportable, and rapidly deployable solar storage containers for reliable energy anywhere.
